

On-Site Accommodations for Students

Skyview School, Inc.

Beginning August 17, all school districts and charter schools are required to make a physical space available to students who **need** a place to go during the day. Schools can identify which students meet this threshold criteria by asking parents and guardians to identify their evolving needs on an ongoing basis.

Skyview School requires advance notice in order to facilitate planning to ensure that the number of students present on-site does not exceed recommended physical distancing and mitigation strategies, as outlined by the Centers for Disease Control and Prevention.

Please reach out to our Director, Dena Ford, dford@skyview.k12.az.us, by 3:30 PM on Thursdays, beginning August 13 (for the following week) if needing on-site accommodations. This notification is also on our website at www.skyviewschool.org.

Children on-site will be not receive in-person instruction, but will be supervised.
